

Q.1 Do the following unit sizes / prices appeal to you? They are considering a bunch of units in the 600+/-sf range. They may offer them from \$300k to \$400k. Small, but very open. High ceilings. (10' clear) High end appliances, good specs. They may also have larger units which will price up in the \$700,000's. They have views.

Q.4 How does this parking situation sound to you? 1 stall per bedroom. 2 floors of additional parking in the building which will be "for rent" and operated by Diamond parking. Homeowners stalls will be in a gated area at the bottom of the garage. The parking garage will be manned after hours with an attendant. The "rental" parking will be completely separate from the condo parking.
